

Bailey's Crossroads Community Shelter Advisory Council

Seeking advocates to act as ambassadors between the shelter and our greater community

Informational Meeting
Wednesday, April 12
6:30 p.m.

**Bailey's Crossroads
Community Shelter**
Falls Church, VA

If you believe in the importance of fostering community support to end homelessness in the Bailey's Crossroads community, this is your opportunity. The BCCS Community Advisory Council is reconvening in the spring, and we invite you — residents, businesses, civic officials, nonprofits and faith organizations — to play a central role in addressing community concerns.

Bailey's Crossroads Community Shelter serves single adults experiencing homelessness in the Fairfax County/Falls Church area. We provide our residents with needed support and resources to move toward self-sufficiency and success in the community. Through volunteer and community partnerships, our residents participate in programming to help them successfully transition into permanent housing and reach their full potential.
